They go home and follow the Rabbi's advice. They hire a handsome young man and he waves a towel over them as they make love. It does not help and the wife is still unsatisfied. Perplexed, they go back to the Rabbi.

"Okay," he says to the husband, "Try it reversed. Have the young man make love to your wife and you wave the towel over them."

Once again, they follow the Rabbi's advice. They go home and hire, the same strapping young man. The young man gets into bed with the wife and the husband waves the towel. The young man gets to work with great enthusiasm and soon she has an enormous, room-shaking, ear-splitting screaming orgasm.

Sister Logical: Have you noticed that a man has been following us for the past half-hour?

Sister Mathematical: Yes, I wonder what he wants.

Sister Logical: It's logical. He wants to rape us.

Sister Mathematical: Oh, no! At this rate he will reach us in 15 minutes at the most. What can we do?

Sister Logical: The only logical thing to do of course is to walk faster.

Sister Mathematical: It's not working.

Sister Logical: Of course it's not working. The man did the only logical thing. He started to walk faster too.

Sister Mathematical: So, what shall we do? At this rate he will reach us in one minute.

Sister Logical: The only logical thing we can do is split. You go that way and I'll go the this way. He cannot follows us both.
