

Lesson 1

A man had just settled into his seat next to the window on the plane when another man sits down in the aisle seat and puts his black Labrador in the middle seat next to the man.

The first man looks very quizzically at the dog and asks why the dog is allowed on the plane. The second man explains that he is a Drug Enforcement Agency officer and the dog is a sniffer dog. "His name is Smithy and he's the best there is. I'll show you once we get airborne, when I put him to work."

The plane takes off, and once it has leveled out, the agent says "Watch this." He tells Smithy to 'search'. Smithy jumps down, walks along the aisle, and finally sits very purposefully next to a woman for several seconds. Smithy then returns to his seat and puts one paw on the agent's arm.

The agent says, 'Good boy', and he turns to the man and says "That woman is in possession of marijuana, so I'm making a note of her seat number and the authorities will apprehend her when we land." "Say, that's pretty neat," replies the first man.

Once again, the agent sends Smithy to search the aisles. The Lab sniffs about, sits down beside a man for a few seconds, returns to his seat and this time, he places TWO paws on the agent's arm.

The agent says, "That man is carrying cocaine, so again, I'm making note of his seat number for the police." "I like it!" says his seat mate.

The agent then tells Smithy to 'search' again. Smithy walks up and down the aisles for a little while, sits down for a moment and then comes racing back to the agent, jumps into the middle seat and proceeds to shit all over the place.

The first man is really grossed out by this behavior and can't figure out how or why a well-trained dog would behave like this, so he asks the agent "What the hell is going on?" The agent nervously replies, "He just found a bomb!!"

Lesson 2

A Chinese guy walks into a bar, sees the black bartender, and says "Get me beer, nigga!"

The bartender says "What did you say to me!?" to which the Chinese man replies "You heard me the first time, now go get me a beer nigga!"

The bartender looks around for a second, obviously quite stunned, then replies "How would you like it if our positions were reversed? I don't think you'd want to be spoken to like that!"

The Chinese man says "Really nigga? Alright then, let's switch positions."

So they do, and the black bartender walks out of the bar while the Chinese man gets behind it.

The black man walks back in and says "Get me a beer, you stupid chink!"

to which the Chinese man replies "I'm sorry, we no serve niggas here."

Lesson 3

A man in a hot air balloon realised he was lost. He reduced altitude and spotted a woman below. He descended a bit more and shouted, "Excuse me, can you help me? I promised a friend I would meet him an hour ago but I don't know where I am."

The woman below replied, "You're in a hot air balloon hovering approximately 30 feet above the ground. You're between 40 and 41 degrees north latitude and between 59 and 60 degrees west longitude."

You must be in Information Technology," said the balloonist. "I am," replied the woman, "How did you know?"

"Well," answered the balloonist, "everything you told me is probably technically correct, but I've no idea what to make of your information and the fact is, I'm still lost. Frankly, you've not been much help at all. If anything, you've delayed my trip."

The woman below responded, "You must be in Management." "I am," replied the balloonist, "but how did you know?"

"Well," said the woman, "you don't know where you are or where you're going. You have risen to where you are, due to a large quantity of hot air. You made a promise, which you've no idea how to keep and you expect people beneath you to solve your problems. The fact is you are in exactly the same position you were in before we met, but now somehow, it's my fucking fault."

Lesson 4

Why bicycles are better than Women...

Bicycles don't get pregnant.
You can ride your Bicycle any time of the month.
Bicycles don't have parents.
Bicycles don't whine unless something is really wrong.
You can share your Bicycle with your friends.
Bicycles don't care how many other Bicycles you've ridden.
When riding, you and your Bicycle can arrive at the same time.
Bicycles don't care how many other Bicycles you have.
Bicycles don't care if you look at other Bicycles.
Bicycles don't care if you buy Bicycle magazines.
You'll never hear, "Surprise, you are going to own a new Bicycle" unless you go out to buy one yourself.
If your Bicycle goes flat you can fix it.
If your Bicycle is too loose you can tighten it.
If your Bicycle is misaligned, you don't have to discuss politics with it.
You don't have to be jealous of the guy who works on your Bicycle.
If you say bad things to your Bicycle, you don't have to apologize before you ride it again.
You can ride your Bicycle as long as you want and it won't get sore.
You can stop riding your Bicycle as soon as you want and it won't get frustrated.
Your parents won't remain in touch with your old bicycle after you dump it.
Bicycles don't get headaches.
Bicycles don't insult you if you're a bad rider.
Your Bicycle never wants a night out with the other Bicycles.
Bicycles don't care if you're late.
You don't have to take a shower before you ride your bicycle.
If your Bicycle doesn't look good you can paint it or get better parts.
You can ride your Bicycle the first time you meet it, without having to take it to dinner, see a movie, or meet its mother.
The only protection you have to wear when riding your Bicycle is a decent helmet.
When in mixed company, you can talk about what a great ride you had the last time you were on your Bicycle.

Lesson 5

Have you been guilty of looking at others your own age and thinking... surely I cannot look that old? If so, you may enjoy this short story.

While waiting for my first appointment in the reception room of a new dentist, I noticed his certificate, which bore his full name. Suddenly, I remembered that a tall, handsome boy with the same name had been in my high school class some 30 years ago. Upon seeing him, however, I quickly discarded any such thought. This balding, gray-haired man with the deeply lined face was way too old to have been my classmate.

After he had examined my teeth, I asked him if he had attended the local high school "Yes," he replied. "When did you graduate?" I asked. He answered, "In 1971. Why?" "You were in my class!" I exclaimed. He looked at me closely, and then the son of a bitch asked, "What did you teach?"

Lesson 6

A five year old boy and his grandpa are sitting on the front porch together, when gramps pulls a beer out of his cooler.

The little boy asks: "Can I have a beer Grandpa?" Grandpa replies: "Can your pecker touch your ass?" The little boy answered "No Grandpa. It's just a little pecker". Gramps says: "Well then, you're not man enough to have a beer".

A little later Grandpa lights up a cigar. The little boy asks: "Can I have a cigar Grandpa?" Once again, Grandpa asks: "Can your pecker touch your ass?" Once again the little boy replies, "No, it's too little". Gramps replies, "Then you're not man enough to have a cigar".

A little later the little boy comes out of the house with milk and some cookies. Grandpa asks, "Hey there young feller, can I have a cookie?" The boy asks, "Can your pecker touch your ass?" Gramps replies, "Hell yes, my pecker can touch my ass". The little boy replies, "Then go fuck yourself - Grandma made these for me".

Lesson 7

A couple were invited to a neighbours masked, fancy dress party. *The* wife got a terrible headache! She told her husband to go to the party alone. He, being a devoted husband, protested, but she argued and said she was going to take some aspirin and go to bed and there was no need for his good time to be spoiled by her headache. So he took his costume and away he went.

The wife, after sleeping soundly for about an hour, woke without pain and as it was still early, decided to go to the party. As her husband didn't know what her costume was, she thought she would have some fun by watching her husband to see how he acted when she was not with him.

So she joined the party and soon spotted her husband in his costume, cavorting around on the dance floor, dancing with every nice "chick" he could and copping a little feel here and a little kiss there.

His wife went up to him and being a rather seductive babe herself, he left his new partner high and dry and devoted his time to her.

She let him go as far as he wished, naturally, since he was her husband. After more drinks he finally whispered a little proposition in her ear and she agreed. So off they went to one of the cars and had passionate sex on the backseat.

Just before unmasking at midnight, she slipped away and went home; put the costume away and sat up reading when he came in.

She asked what kind of time he had. "Oh, the same old thing. You know I never have a good time when you're not there." Then she asked, "Did you dance much?" He replied, "I never even danced once. When I got there, I met Pete, Bill and some other guys, so we went into the spare room and played poker all evening."

"You must have looked really silly wearing that costume playing poker all night!" she said with unashamed sarcasm. To which the husband replied, "Actually, I gave my costume to your Dad, apparently he had the time of his life!"

Lesson 8

WHY DID THE CHICKEN CROSS THE ROAD?

DR. PHIL: The problem we have here is that this chicken won't realise that he must first deal with the problem on 'THIS' side of the road before he goes after the problem on the 'OTHER SIDE' of the road. What we need to do is help him realise how stupid he's acting by not taking on his 'CURRENT' problems before adding 'NEW' problems.

OPRAH: Well, I understand that the chicken is having problems, which is why he wants to cross this road so bad. So instead of having the chicken learn from his mistakes and take falls, which is a part of life, I'm going to give this chicken a car so that he can just drive across the road and not live his life like the rest of the chickens.

GEORGE W. BUSH: We don't really care why the chicken crossed the road. We just want to know if the chicken is on our side of the road, or not. The chicken is either with us or against us. There is no middle ground here.

COLIN POWELL: Now to the left of the screen, you can clearly see the satellite image of the chicken crossing the road.

DR SEUSS: Did the chicken cross the road? Did he cross it with a toad? Yes, the chicken crossed the road, but why it crossed I've not been told.

ERNEST HEMINGWAY: To die in the rain. Alone.

GRANDPA: In my day we didn't ask why the chicken crossed the road. Somebody told us the chicken

crossed the road, and that was good enough.

JOHN LENNON: Imagine all the chickens in the world crossing roads together, in peace.

ARISTOTLE: It is the nature of chickens to cross the road.

BILL GATES: I have just released eChicken2007, which will not only cross roads, but will lay eggs, file your important documents, and balance your chick book. Internet Explorer is an integral part of eChicken. This new platform is much more stable and will never cra...#*&^(C% reboot.

ALBERT EINSTEIN: Did the chicken really cross the road, or did the road move beneath the chicken?

BILL CLINTON: I did not cross the road with THAT chicken. What is your definition of chicken?

COLONEL SANDERS: Did I miss one?

Lesson 9

A woman comes back from a visit to the doctor and says to her husband.

"The doctor says I've got the tits and arse of a 16 year old". Her husband replies "What did he say about your 40-year-old cunt?" The wife responds "Oh, he didn't mention you..."

Lesson 10

Camilla bought new shoes for her wedding, which got increasingly tighter around her feet as the day went on.

That night, when the festivities were finally over and they finally retired to their room, she flopped on the bed and said, "Charles darling, please remove my shoes, my feet are absolutely killing me!"

Her ever-obedient Prince of Wales worked on her right shoe with vigour, but it would not budge. "Harder!" yelled Camilla, "Harder!" Charles yelled back, "I'm trying, my darling! But it's just so blooming tight!"

"Come on, my prince! Give it all you've got!" she cried.

Finally, when the shoe released, Charles let out a loud groan and Camilla exclaimed, "Aaahh! Oh, God, that feels sooo good!"

In their bedroom next door, the Queen said to Prince Phillip, "See? I told you with a face like that, she would still be a virgin!"

Meanwhile, as Charles tried to remove her left shoe, he cried, "Oh, bloody hell, darling! This one's even tighter!" To which Prince Phillip said to the Queen, "That's my boy - once a Navy man, always a Navy man!"

Lesson 11

A woman asks her husband, "Would you like some bacon and eggs? A slice of toast and maybe some grapefruit and coffee?" He declines. "Thanks for asking, but I'm not hungry right now. It's this Viagra," he says. "It's really taken the edge off my appetite." At lunchtime she asked if he would like something. "A bowl of soup, homemade muffins, or a cheese sandwich?" He declines. "The Viagra," he says, "really trashes my desire for food." Come dinner time, she asks if he wants anything to eat. "Would you like a juicy rib eye steak and scrumptious apple pie? Or maybe a rotisserie chicken or tasty stir fry?" He declines again. "No," he says, "it's got to be the Viagra... I'm still not hungry." "Well," she says, "Would you mind letting me up? I'm starving!"

Lesson 12

Question: When you apply for Welfare in Pakistan, Lebanon, Somalia or Africa... what does that Government give you?

Answer: a map of how to get to Australia.

Lesson 13

A man, fresh out of gift ideas, bought his mother-in-law a large plot in an expensive cemetery. On her next birthday, he bought her nothing. She was quick to comment loud and long on his thoughtlessness. "Well, you haven't used the gift I gave you last year."

Lesson 14

The couple were 85 years old, and had been married for sixty years. Though they were far from rich, they managed to get by because they watched their pennies.

Though not young, they were both in very good health, largely due to the wife's insistence on healthy foods and exercise for the last decade.

One day, their good health didn't help when they went on a rare vacation and their plane crashed, sending them off to Heaven.

They reached the pearly gates, and St. Peter escorted them inside. He took them to a beautiful mansion, furnished in gold and fine silks, with a fully stocked kitchen and a waterfall in the master bath. A maid could be seen hanging their favourite clothes in the closet.

They gasped in astonishment when he said, "Welcome to Heaven. This will be your home now." The old man asked Peter how much all this was going to cost. "Why, nothing," Peter replied, "Remember, this is your reward in Heaven."

The old man looked out the window and right there he saw a championship golf course, finer and more beautiful than any ever built on Earth. "What are the greens fees?" grumbled the old man. "This is heaven," St. Peter replied. "You can play for free, every day."

Next they went to the clubhouse and saw the lavish buffet lunch, with every imaginable cuisine laid out before them, from seafood to steaks to exotic deserts, free flowing beverages. "Don't even ask," said St. Peter to the man. This is Heaven, it is all free for you to enjoy."

The old man looked around and glanced nervously at his wife.

"Well, where are the low fat and low cholesterol foods, and the decaffeinated tea?" he asked. "That's the best part," St. Peter replied.

"You can eat and drink as much as you like of whatever you like, and you will never get fat or sick. This is Heaven!"

The old man pushed, "No gym to work out at?" "Not unless you want to," was the answer.

"No testing my sugar or blood pressure or..." "Never again. All you do here is enjoy yourself."

The old man glared at his wife and said, "You and your fucking bran muffins. We could have been here ten years ago!"

Lesson 15

Guy walks into a bar with a pet alligator by his side. He puts the alligator up on the bar. He turns to the astonished patrons. "I'll make you a deal. I'll open this alligator's mouth and place my manhood inside. Then the gator will close his mouth for one minute. Then he'll open his mouth and I'll remove my unit unscathed. In return for witnessing this spectacle, each of you will buy me a drink!"

The crowd murmured their approval. The man stood up on the bar, dropped his trousers, and placed his Johnson and related parts in the alligator's open mouth. The gator closed his mouth and the crowd gasped in unison.

After a minute, the man grabbed a beer bottle and smacked the alligator hard on the top of its head. The gator opened his mouth and the man removed his genitals unscathed as promised.

The crowd cheered, and the first of his free drinks were delivered. The man stood up again and made another offer. "I'll pay anyone \$100 who's willing to give it a try!"

A hush fell over the crowd. After a while, a hand went up in the back of the bar.

A Blonde woman timidly spoke up... "I'll try it - just don't hit me so hard with the beer bottle!"

Lesson 16

A first grade teacher was having trouble with one of her students. The teacher asked, "Harry what is your problem?" Harry answered, "I'm too smart for the first grade. My sister is in the third grade and I'm smarter than she is! I think I should be in the third grade too!"

The teacher had had enough. She took Harry to the principal's office. While Harry waited in the outer office, the teacher explained to the principal what the situation was. The principal told the teacher he would give the boy a test and if he failed to answer any of his questions he was to go back to the first grade and behave. The teacher agreed.

Harry was brought in and the conditions are explained to him and he agrees to take the test. Principal: "What is 3×3 ?" Harry: "9". Principal: "What is 6×6 ?" Harry: "36".

And so it went with every question the principal thought a third grader should know. The principal looks at the teacher and teacher, "I think Harry can go to the third grade." The teacher says to the principal, "Let me ask him some questions?" The principal and Harry both agree.

The teacher asks, "What does a cow have four of that I have only two of?" Harry, after a moment, "Legs."

Teacher: "What is in your pants that you have but I do not have?" The principal's eyes open really wide and before he could stop the answer, Harry replied, "Pockets."

Teacher: "What does a dog do that a man steps into?" Harry: "Pants"

Teacher: "What word starts with an 'F' and ends in 'K' that means a lot of hot excitement?" Harry: "Fire truck"

The principal breathed a sigh of relief and told the teacher, "Put Harry in the fifth grade. Hell, I missed the last four questions myself."

Lesson 17

Jack decided to go skiing with his buddy, Bob. So they loaded up Jack's minivan and headed north. After driving for a few hours, they got caught in a terrible blizzard. So they pulled into a nearby farm and asked the attractive lady who answered the door if they could spend the night.

"I realise its terrible weather out there and I have this huge house all to myself, but I'm recently widowed," she explained. "I'm afraid the neighbours will talk if I let you stay in my house."

"Don't worry," Jack said. "We'll be happy to sleep in the barn. And if the weather breaks, we'll be gone at first light." The lady agreed, and the two men found their way to the barn and settled in for the night. Come morning, the weather had cleared, and they got on their way. They enjoyed a great weekend of skiing.

But about nine months later, Jack got an unexpected letter from an attorney. It took him a few minutes to figure it out, but he finally determined that it was from the attorney of that attractive widow he had met on the ski weekend.

He dropped in on his friend Bob and asked, "Bob, do you remember that good-looking widow from the farm we stayed at on our ski holiday up north about 9 months ago?" "Yes, I do." said Bob.

"Did you, er, happen to get up in the middle of the night, go up to the house and pay her a visit?" "Well, um, yes!," Bob said, a little embarrassed about being found out, "I have to admit that I did."

"And did you happen to give her my name instead of telling her your name?" Bob's face turned beet red and he said, "Yeah, look, I'm sorry, buddy. I'm afraid I did." "Why do you ask?"

"She just died and left me everything."

Lesson 18

The pastor asked if anyone in the congregation would like to express Praise for answered prayers.

A lady stood and walked to the podium. She said, "I have Praise." Two months ago, my husband, Jim, had a terrible bicycle wreck and his scrotum was completely crushed. The pain was excruciating and the doctors didn't know if they could help him."

You could hear an audible gasp from the men in the congregation as they imagined the pain that poor Jim experienced.

She continued, "Jim was unable to hold me or the children and every move caused him terrible pain. We prayed as the doctors performed a delicate operation. They were able to piece together the crushed remnants of Jim's scrotum and wrap wire around it to hold it in place."

Again, the men in the Congregation squirmed uncomfortably as they imagined the horrible surgery performed on Jim.

She continued, "Now, Jim is out of the hospital and the doctor's say, with time, his scrotum should recover completely."

All the men sighed with relief.

The pastor rose and tentatively asked if anyone else had anything to say. A man rose and walked slowly to the podium. He said, "I'm Jim and I want to tell my wife, the word is 'sternum.'"

Lesson 19

A crusty old biker, on a summer ride in the country, walks into a tavern and sees a sign hanging over the bar, which reads:

```
/CHEESEBURGER: $1.50  
CHICKEN SANDWICH: $2.50  
HAND JOB: $1,000.00/
```

Checking his wallet for the necessary payment, he walks up to the bar and beckons to the exceptionally attractive female bartender serving drinks to a meagre looking group of farmers.

"Yes?" she inquires with a knowing smile, "can I help you?" "I was wondering," whispers the old biker, "are you the young lady who gives the hand-jobs?" "Yes, she smiles and purrs, I sure am." The old biker replies, "Well wash your hands. I want a cheeseburger."

Lesson 20

Siamese twins walk into an Ontario pub and park themselves on a bar stool. One of them says to the bartender, "Don't mind us, we're joined at the hip. I'm John, he's Jim. Two beers please."

The bartender, feeling slightly awkward, tries to make polite conversation while pouring the beers. "Been on holiday yet, lads?" "Off to England next month." says John. "We go to England every year and hire a car and drive for miles. Don't we, Jim?" Jim agrees.

"Ah, England!" says the landlord. "Wonderful country... the history, the beer, the culture..." "Nah, we don't like that British crap." says John. "Hamburgers beer, that's us, eh Jim? And we can't stand the English - they can be so arrogant."

"So why keep going to England?" asks the landlord. "It's the only chance Jim gets to drive."

Lesson 21

A young man excitedly tells his mother he's fallen in love and is going to get married. He says, "Just for fun, Ma, I'm going to bring over 2 other female friends in addition to my fiancé, and you try and guess which one I'm going to marry". The next day, he brings 3 beautiful women into the house and sits them down on the couch and they chat for a while. He then says, "Okay, Ma. Guess which one I'm going to marry." She immediately replies, "The red-head in the middle." "That's amazing, Ma. You're right, how did you know?" "I don't like her."

Lesson 22

After three weeks in the Garden of Eden, God came to visit Eve.

"So, how is everything going?" enquired God. "It is all so beautiful, God," she replied. "The sunrises and sunsets are breathtaking, the smells, the sights, everything is wonderful, but I have just one problem. It is these breasts you have given me. The middle one pushes the other two out and I am constantly knocking them with my arms, catching them on branches and snagging them on bushes. They are a real pain," reported Eve.

And Eve went on to tell God that since many other parts of her body came in pairs, such as her limbs, eyes, ears, etc... she felt that having only two breasts might leave her body more 'symmetrically balanced' as she put it.

"That is a fair point," replied God, "But it was my first shot at this, you know. I gave the animals six breasts, so I figured that you needed only half of those, but I see that you are right. I will fix it up right away." And God reached down, removed the middle breast and tossed it into the bushes.

Three weeks passed and God once again visited Eve in the Garden of Eden.

"Well, Eve, how is my favourite creation?" "Just fantastic," she replied, "But for one oversight on your part. You see, all the animals are paired off. The ewe has a ram and the cow has her bull. All the animals have a mate except me. I feel so alone."

God thought for a moment and said, "You know, Eve, you are right. How could I have overlooked this? You do need a mate and I will immediately create a man from a part of you. Now let's see... where did I put that useless tit?"

Lesson 23

A company was looking to hire someone for an important position, so they interviewed dozens of applicants and narrowed their search down to three people.

In an attempt to pick one of them, they decided to give them all the same question to answer within 24 hours and the one with the best answer would get the job.

The question was: A man and a woman are in bed, nude. The woman is lying on her side with her back facing the man, and the man is lying on his side facing the woman's back. What is the man's name?

After the 24 hours was up, the three were brought in to give their answers. The first one says "My answer is, there IS no answer."

The second one says "My answer is, that there is no way to determine the answer with the information we were given."

The THIRD one says "I'm not exactly sure, but I have it narrowed down to two names, it's either, Willie Turner or Willie Nailer".

He got the job.

Lesson 24

11 PEOPLE ON A ROPE

Eleven people were hanging on a rope, under a helicopter. 10 men and 1 woman.

The rope was not strong enough to carry them all and beginning to fray so they decided that one had to leave, because otherwise they were all going to fall to their deaths.

They weren't able to choose that person, until the woman gave a very touching speech.

She said that she would voluntarily let go of the rope, because, as a woman, she was used to giving up everything for her husband and kids or for men in general, and was used to always making sacrifices with little in return.

As soon as she finished her speech, all the men started clapping...

Lesson 25

A woman comes home and tells her husband, "Remember those headaches I've been having all these years? Well, they're gone." "No more headaches?" the husband asks, "What happened?"

His wife replies, "Margie referred me to a hypnotist & he told me to stand in front of a mirror, stare at myself and repeat:

"I do not have a headache. I do not have a headache. I do not have a headache."

"Well, it worked! The headaches are all gone!" "Well, that is wonderful!" proclaims the husband.

His wife then says, "You know, you haven't been exactly a ball of fire in the bedroom these last few years. Why don't you go see the hypnotist and see if he can do anything for that?"

Reluctantly, the husband agrees to try it.

Following his appointment, the husband comes home, rips off his clothes, picks up his wife, and carries her into the bedroom. He puts her on the bed and says, "Don't move, I'll be right back."

He goes into the bathroom and comes back a few minutes later, jumps into bed and makes passionate love to his wife like never before.

His wife says, "WOW! That was wonderful!" The husband says, "Don't move! I will be right back." He goes back into the bathroom, comes back and round two was even better than the first time.

The wife sits up and her head is spinning. "OH MY GOD!" she proclaims. Her husband again says, "Don't move, I'll be right back." With that, he goes back in the bathroom.

This time, his wife quietly follows him and there, in the bathroom, she sees him standing at the mirror and saying:

"She's not my wife. She's not my wife. She's not my wife. She's not my wife."

His funeral service will be held on Saturday.

Lesson 26

A recent study conducted by Wits University found that the average South African walks about 1200 kilometres a year. Another study by the South African Medical Association found that South Africans drink, on average, 100 litres of alcohol a year. This means, on average, South Africans get about 12 kilometres to the litre.
